If this makes you squirm,
You may be a worm
Don't offer the apple
If there's a grade in the grapple.

3

You students, live as a whole
But have in mind a cultural goal
Activities are a part of this
And a section you cannot miss.

2

If an apple polisher you be
That pose the teachers easily see,
Take off your shine and expose your sheen,
And see what knowledge you can gleen.

The core of this sport
Is your generous support
But if you are an athlete
As a sport, you can't be beat.

DEDICATION

Some call it school spirit. Others say it's loyalty, but we of the Ista Staff prefer to remember the Bluffton College Spirit, as one of "humility" . . . exemplified in the man we dedicate this book to . . . Professor J. P. Klassen.

In his quiet, unassuming role as professor, Mr. Klassen has entered the hearts of all those who have either directly or indirectly had any association with him.

In that same spirit of humility, we wish to dedicate this 1942 edition of the ISTA to the man we feel portrays the *real* Bluffton College Spirit.

I S T A

This year the Business Staff has had many problems to surmount, but our staff has tackled these problems with success.

I wish to extend my thanks to Lee Boyer for the new ideas of advertising and to Dorothy Beckenbach for drawing these ideas.

With these drawings in hand, Lloyd Hunsberger, Robert Heiks, and Lee Boyer completed our success by contacting the merchants.

Lee Lehman, Business manager

Unless there is complete co-operation, it is difficult to do a job well. After a year of much planning and working together, we of the 1942 Ista Staff can gratefully say, "It's been a pleasure".

I wish to extend my sincere appreciation to Lee Lehman and his staff, for their excellent manipulation of the financial problems. To Jackson Kahler and his crew of writers, for their "copy" contributions. To Darvin Luginbuhl, our photographic editor, for helping us meet the picture "deadlines". To Dottie Beckenbach, for her bang-up job of drawing every advertisement. And last, but not least, to Lee Boyer, for everything from ideas and writing, to even selling the ads.

Swell job . . . all of you.

WITMARSUM

In the past 28 years of its existence on the Bluffton Campus the Witmarsum has sought to serve the students, faculty, alumni and constituency of Bluffton College. Though its specific policies have been stated in various formal ways, its main purpose has been to carry current campus, national, and international news to its readers. It has sought, through its editorial columns, to represent a balanced and unbiased treatment of important and current topics, to live up to the college ideals, and to support college loyalty.

The staff, headed by the editor-in-chief, is divided into the editorial and reportorial staffs. The editorial staff is composed of the managing editor, in charge of general coverage, the sports editor, responsible for general sports coverage, and make-up of sports page; the feature editor, the caption editor, the proof editor, and the society editor. There is an opportunity for activity in the varied fields of journalism for those showing talent in straight news or feature writing. No previous experience is required for admission to the staff, though rigid rules must be observed to maintain a permanent position on the staff.

Without this important division of the Witmarsum the paper could never be a reality. The Business Staff not only makes sure that sufficient advertising is available for the bi-weekly publication of the newspaper, but also provides for certain functions beyond the actual printing of the paper.

The Business staff is divided into two separate divisions, the advertising and the circulation. The latter requires the handling and mailing of the Witmarsum to numerous alumni, faculty, high schools, colleges, and to those interested in the activities of the college, as well as the distribution of the paper to local advertisers.

Student Cabinet

C O U N C I L

Since its reorganization in 1937 the Student Council has been the formal means of control of campus affairs by students. It exercises restricted authority in problems of student discipline, activity regulation, and general student-administration relations.

The four classes are represented in this governing body of nine members whose term of office is one year. Dr. J. S. Schultz serves as faculty advisor to the group.

C A B I N E T

Composed of the heads of the principal organizations on the campus, the Advisory Cabinet meets jointly with the Student Council a minimum of three times annually, its purpose being to advise the council on matters pertaining to student organizations and the activity schedule of the year.

Organizations represented are: the Choir, House Councils, Social Committee, Witmarsum, Gospel Teams, Varsity "B's", Y. W. C. A. and Y. M. C. A.

Evelyn Hilty, president of Ropp Hall and the Girls' Varsity "B" was chosen to represent the group in the Student Welfare Committee.

Y. M. C. A.

The Y. M. C. A. has just passed one of its most critical years. With the nation at war and a large number of young men who would in normal times be in college, either in the armed forces or in industry, the going has been difficult.

However, some definite goals were accomplished in spite of the difficulties. Through the joint efforts of the Y. M. and Y. W. a student was sent to the National Conference of Student Christian Associations held at Miami during the Christmas vacation. The discussion groups in the forepart of the year were helpful to all who participated. The Cab'n and the swinging bridge were repaired and a new bulletin board, worthy of the name, was made. The treasury, in spite of the hard year, shows a more favorable balance than it has for some time.

Although much that should have been done, has been left undone, on the whole we can feel that some definite gains were made this year. With the able and enthusiastic leadership of Rollin Moser as Advisor, we feel that the Y. M. C. A. should go places in years to come.

Y. W. C. A.

Y. W. C. A., one of the largest and most active organizations on the campus, attempts to enrich the life of each of its members mentally, spiritually, and socially through its many, varied meetings and activities.

Never to be forgotten is the fellowship of the devotional candle-light services, or the enjoyable teas, or the spirit of co-operation every member felt in helping with such projects as the "paper sales" or the Red Cross sewing. Inspiring is the fact that each Y. W. C. A. member realizes that she is a part of a world-wide organization of young women devoted to the Christian ideals of truth and service.

We unite in the desire to realize a full and creative life through the growing knowledge of God.

We determine to have a part in making this life possible to all people.

In this task we seek to understand Jesus and follow him.

Girls' Gospel Team

MEN'S TEAM

Beginning eight years ago when several young men, feeling the need of spiritual fellowship, met in various dormitory rooms for prayer and discussion, this group of Christian men has grown to be one of the major organizations on the campus, contributing much to its spiritual welfare.

During the past year the members have received much inspiration from various outside speakers who were secured for the Thursday night meetings. Together with other organizations on the campus the Gospel Team contributed to the refugee fund, and distributed devotional booklets to students and faculty.

The Gospel Team continued its practice of sending out a deputation quartet, and meetings were conducted in various churches in Ohio, Indiana, and Ontario Province, Canada. The quartet consisted of John Boehr, first tenor; Glen Graber, second tenor; Paul Soldner, baritone, and Harold Thiessen, bass. Herbert Fretz, the deputation chairman, and John Boehr were the speakers.

GIRL'S TEAM

During the year a group of girls set aside Thursday evening to meet together in Christian fellowship. These girls discussed religious topics and problems that were vital to their spiritual growth. Feeling the desire to help in this world crisis the girls spent time at the meetings and away from the meetings sewing layettes for the Mennonite Central Committee.

The deputation groups held services in nearby churches and a trip was taken to Chicago during Christmas vacation. Two quartets functioned during the year, the first consisting of Wanda Suter, Lucille Steiner, Thelma Dailey, and Marcellle Steiner. The second quartet was composed of Viola Amstutz, Frances Beckenbach, Ruth Soldner, and Helen Habegger. Money received at the various services was used to help buy the devotional booklet "The Upper Room" for all college students, to help pay expenses for a foreign refugee student, and to buy layettes from the M. C. C.

Social

DEBATE

The debate team, under the direction of Paul W. Stauffer, engaged in debates this past year with colleges and universities throughout the state. The season was climaxed by the state tournament held at Capital University in which nineteen colleges and universities competed.

The debate question was vitally interesting because of its significant application to present day affairs. The question was: Resolved, That the Federal Government should regulate all labor unions.

The contests in which Bluffton debaters participated were: A practice tournament at Ohio Wesleyan University, and the Ohio Intercollegiate debate tournament at Capital University.

SOCIAL COMMITTEE

The success of the weekly Saturday night parties has been largely due to the planning on the part of the Social Committee.

Various entertainment such as treasure hunts, hikes, folk and party games, parlor games and bingo have been arranged for the enjoyment of all students.

Members of the committee are: Frances Ramseyer, chairman; Ruth Zuiderhoek, and Harold Lehman, with Miss Della Kriebel and A. C. Burcky as advisors.

Junior Play

THESPIANS

Striving to develop the abilities and interests of the dramatic-minded students, the Thespian Dramatic Society completed another highly active season. Under the leadership of Mark Houshower the society presented four one-act plays. For its part in the Homecoming activities it presented "Why I Am A Bachelor", and for the church conferences the religious drama, "The Lost Church".

Dispensing with the usual custom of giving a three-act play, the Thespians this year sponsored a one-act play tournament among the classes of the college. This proved to be highly successful and served to stimulate a great amount of interest in dramatics. Perhaps, in the eyes of the members, an equally outstanding event in the year's program was the privilege of seeing Helen Hayes in Maxwell Anderson's play, "Candle In The Wind".

Besides the plays and readings produced before various clubs and high schools throughout the year, the Society climaxes its activities with the traditional Shakespearean play "As You Like It" during the May Day festivities.

JUNIOR PLAY

"Our Town", by Thornton Wilder, a Pulitzer Prize play, was presented with much success by the Junior class. Given on April 8 and 11, under the direction of Prof. P. W. Stauffer assisted by Lee Boyer, the play was novel in its lack of scenery. Its effects were created by dependence on lighting, acting, and period costuming. Portraying with simplicity life, love and death as it occurred in a small New Hampshire town, the action centered about the Gibbs and Webb families, the heroine of the play being Emily Webb, portrayed by Lora Schultz, and the hero being George Gibbs, played by John Thutt. Also unusual was the part of the Stage Manager, portrayed by Paul Soldner; he kept the audience informed as to the setting of the town and of the action of the play.

The fathers of the families of the Gibbs and Webbs were played by Lloyd Hunsberger and Laurence Burkhalter, respectively, while their wives' roles were dual in cast. The entire cast was composed of approximately 25 persons.

Vesper Choir

COLLEGE ORCHESTRA

Under the capable direction of its conductor, Prof. Sidney Hauenstein, the College orchestra has made rapid progress from a medium "high school" quality assemblage to that of a well trained group of college musicians. Though handicapped by a small number of students, the orchestra was able to present a concert during the first term of this year; also another concert was given during commencement week. In addition to these programs, the orchestra accompanied the annual rendition of Handel's "Messiah".

The orchestra is one of the oldest organizations on the campus, and has done much in the past in bringing good music before the student body. We sincerely hope the orchestra will be able to continue this fine piece of work in the future, come what may.

THE VESPER CHOIR

The musical organization of mixed voices which has truly become an integral part of the College is the Vesper Choir. The aim of the group, directed by Prof. Russell A. Lantz, is to make fine music inspiring to the listener and to the singer.

The choir's repertoire includes works from the great choral music of the German, Russian and Italian schools, and from the compositions of contemporary writers.

Activities of the group during the school year include singing at the monthly Vesper services and presentation of concerts in various churches of the surrounding communities. In addition, the cantata "The Seven Last Words of Christ", by Dubois, is presented several times during the Easter season, and "The Rose Maiden", by Cowen, is sung by the choir during the month of May.

Home Ec. Club

HOUSE COUNCIL

The House Councils of Ropp and Lincoln Halls are chosen each year by popular vote of the dormitory students. They are the governing body of the two houses. It is the duty of these councils to discuss student problems in an effort to promote harmonious group living.

Each year the two houses jointly sponsor a formal Thanksgiving and Christmas banquet. "Open House" nites are other events at which the councils lead dormitory students in welcoming students, parents and friends.

Both councils have had an interesting and successful year under the leadership of Evelyn Hilty, president of Ropp Hall, and Richard Weaver, president of Lincoln Hall, with the dean of women and the dean of men as supervisors.

HOME EC. CLUB

In attempting to carry out the objectives of the organization as stated in its constitution, the Home Economics Club carried on a number of broadening activities this term. Outstanding among the events of the group was the sponsoring of a college home economic departments conference on the campus early in the year. Practical, worthwhile experience for members of the group was had in serving at the Booster Club Banquet and at preliminary Booster meetings, and in making candy for sealing. Artistry of the seamstresses of the organization is witnessed in the style show held in the spring. The social events of the club are climaxed in a week-end at the college cabin.

Women's Varsity B

MEN'S VARSITY B

A gentleman first, athlete afterwards. This motto of the Men's Varsity "B" club typifies the true spirit of all athletic participation. Each member is expected to carry this ideal throughout life's various battles. This fine spirit prevails in every game, whether it is being won or lost.

The Varsity "B", in addition to being a fine group of fellows, also is an integral part of the school's intramural program. Also, as part of their program, an annual luncheon is held as a climax of the year's activities. All the former members of the organization are invited to attend. This indeed is an appropriate time for those leaving the ranks of students, to compete in that big game, *Life*.

WOMEN'S VARSITY B

Aiming to provide organized physical activity for all women on the Bluffton College campus, the Women's Varsity "B" organization sponsors seasonal intramural competition throughout the year. Volley ball contests dominate during the fall and early winter; a basketball tournament provides regular activity throughout the winter months; and soft ball games constitute the spring program.

Besides these organized intramural activities, Monday evening of each week is set aside for Varsity "B" meetings. Business of the organization is considered at this time, and varied activities such as hiking, folk games, relays, mat exercises, volley ball, basketball, hand ball, badminton, and biking are provided for members.

Ensemble

INTERNATIONAL CLUB

Promulgating a more intelligent and comprehensive understanding and appreciation of international affairs through study, discussion, and conferences is the aim of the International Relations Club. Its membership is restricted to fifteen students elected to the organization by the members as vacancies arise, this small number tending to assure selection of only those who have a real interest in the subject.

The organization is sponsored by the Andrew Carnegie Foundation for International Peace which sends each year to the club a group of books and periodical literature on contemporary subjects of vital importance. These are placed in the library for the benefit of members and also for others of the student body who are interested in the subject for which the club is organized.

ENSEMBLE

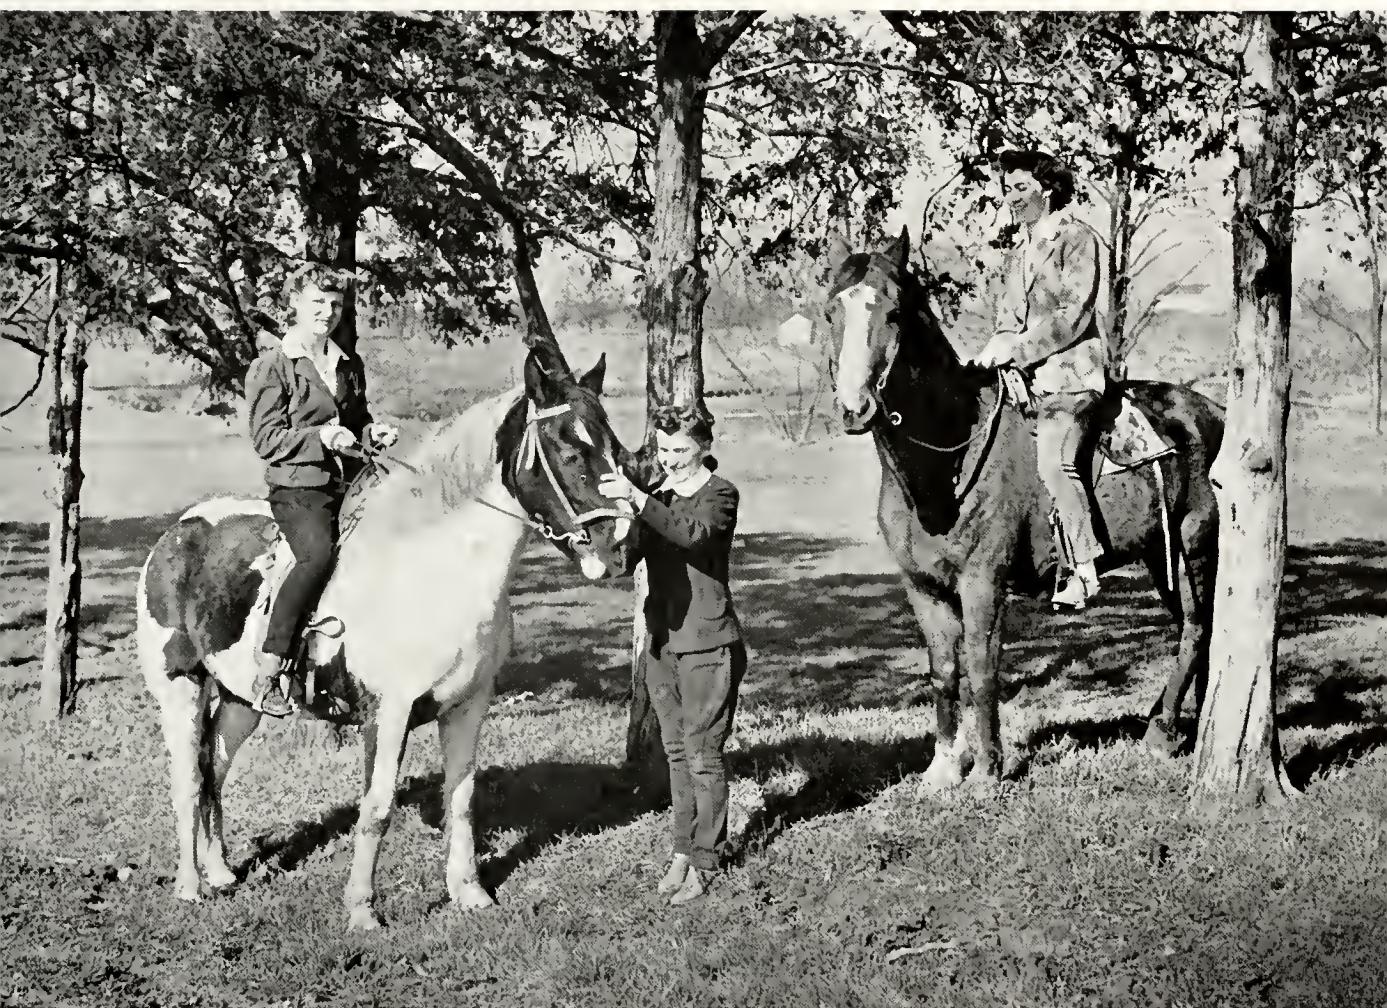

The Bluffton College String Quartet has been particularly active this year, having furnished music for many and varied affairs of this vicinity. They were heard first at the Freshman Mixer; the five members of the ensemble have played in chapel several times; they have taken part in student recitals; they have furnished dinner music for the Booster Banquet and for a number of teas given during the year.

Many organizations of the town, exclusive of the college, have enjoyed the music of this talented group, and they have likewise been heard frequently throughout the year on the college broadcasts. Their activities for the year were concluded with an eleven-day tour of the Mennonite communities in Pennsylvania.

HOME COMING QUEEN

EVELYN HILTY, a hearty lass from Pandora, Ohio, reigned as Homecoming queen at the fall festivities, an honor which has been well-accorded to this popular and active senior. Besides her numerous minor activities this year she has been serving in the administrative offices of the presidency of Ropp Hall and of Women's Varsity B.

FOOTBALL TEAM

The Bluffton Beavers? One of the scrappiest teams in Northwestern Ohio! This statement proved itself time and time again throughout the '41 season. Although small in numbers, the team was more than just a "threat". As long as it was humanly possible to remain in the game, the Beavers were definitely causing their opponents trouble.

The team played schools more than ten times the size of Bluffton, without flinching. Constantly coming back for more, seemed to be their motto; without this spirit no team can long endure. There was no single star . . . everybody played "smart" football . . . every fellow enjoyed every minute of it!

Cheer Leaders

Virginia Hadsell

Otis Rhodes

Mary Alice Howe

Raising and sustaining the morale of a college team is a difficult assignment, especially in a small school which unfortunately must be prepared to face defeats in preponderance. In spite of this handicap, however, the Beaver "noise-makers", Mary Alice Howe, Ginger Hadsell, and Otis Rhodes, consistently succeed in maintaining school spirit at games.

Tri-State . . . Beavers trounced just once more . . . final this time . . . Tri-State 39-54.

Tennis

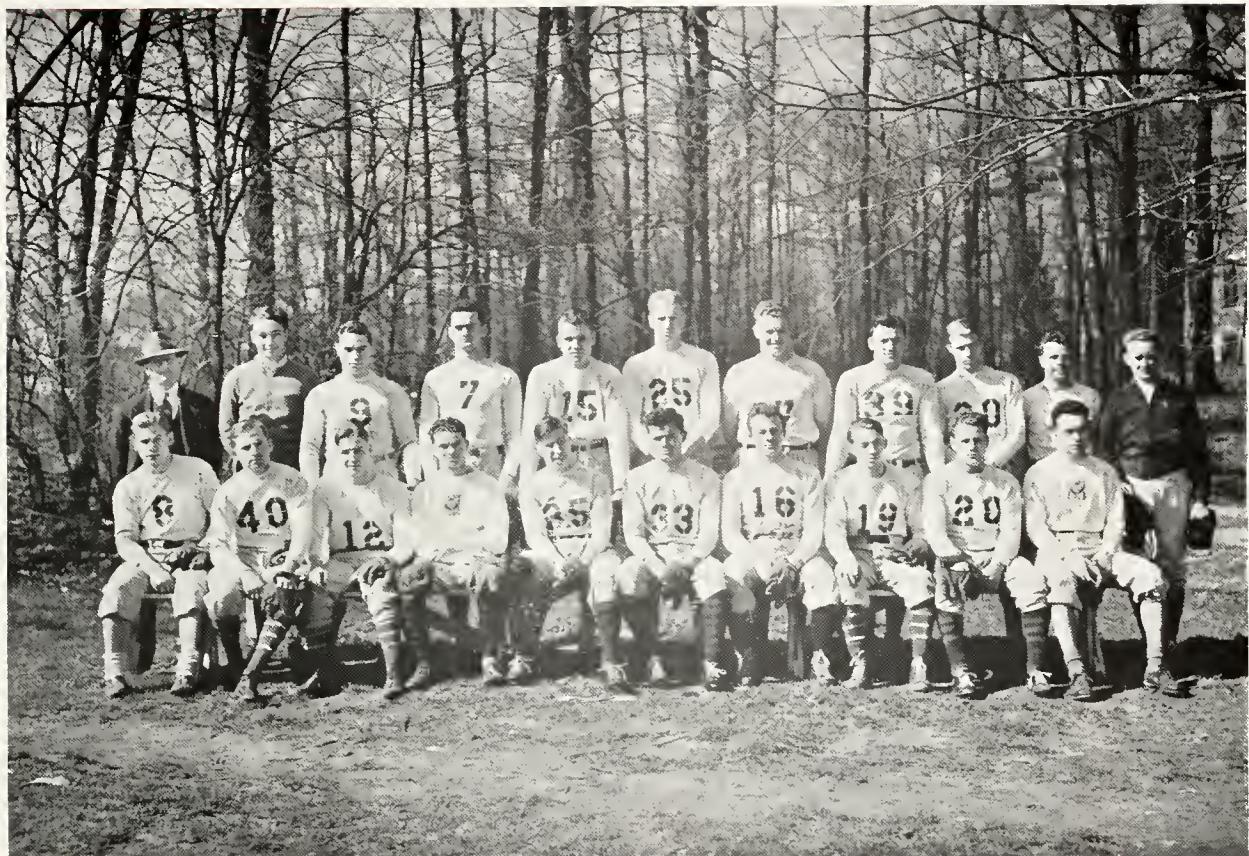

Richard Berk, Jason Tripplehorn, Otto Elmer, H. W. Berk, Darvin Luginbuhl, John Boehr, Robert Simcox, Dale Good.

Lead by Dale Good and Bob Simcox, the tennis team has shown promise of a few wins during this spring season. These two lettermen of last year, together with Dick Berk, former Bluffton High School star, will form the nucleus around which Prof. H. W. Berk hopes to build a winning combination. Others who show promising signs and are likely to see action before the season is over are Jason Tripplehorn, Otto Elmer, and Darvin Luginbuhl.

Due to the shortened school year the schedule this spring will include only eight matches. There will be two each with Wilberforce, Ohio Northern, Findlay, and Bowling Green.

Baseball

Homer Gratz, Donald Hester, Evan Suter, Herbert Traucht, William Keeney, Herbert Klassen,
William Borse, Ellwyn Hartzler, Lyste Sommer, Richard Pannabecker,
A. C. Burcky, Arthur Spiegel, Robert Swartley, Alvin Schantz, Fred Soldner, John Thut,
Eugene Kohli, Lloyd Hunsberger, Ellis Guthrie, Robert Graham, Arthur Kaiser.

With only one Varsity player back in the game the future does not look so bright this spring. But the squad maintains plenty of spirit regardless, and good potential material is being recruited for coming years. With Herb Traucht leading the squad there is still hope for the Beaver ball team.

Given favorable weather, some hope is held by Coach Burcky for piling up several wins . . . and especially to have a "sporting good time".

THE AMERICAN WAY OF FREE ENTERPRISE ...

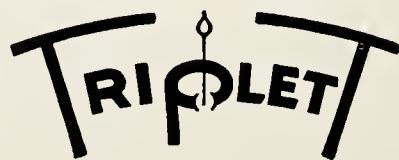

.....WHAT IT MEANS TO YOU

AS you leave school to take up the serious job of earning a living, remember The American Way and American Standards of Living are the best in the world.

OUR country and its institutions are fundamentally sound. Those who assert the peak of American opportunity has passed are not taking into consideration that individual initiative is the driving force which accounts for all human progress.

WITH the passage of every day research workers give us new jobs that never existed before. Between 1900 and 1930 the number of jobs in the United States increased at the rate of 68 per cent while the country's population was increasing 62 per cent. Far from having reached its peak, American industry will continue to expand and develop.

ALWAYS remember The American Way is best. Always do what you can to help preserve and promote it. There still is plenty of opportunity for those who have initiative, patience and perseverance. Live with the thought to leave the world better than you found it.

Dear Bettye.

This semester has been
entirely too short for us - hasn't
it! I shall never forget our
talks and the grand friend
you have been. I suppose we
shall have to just wait - ;)
Remember this and so.
Sangust and the day after!
Best wishes and I will
see you in September
again I hope.

Love, Esther Mae

Dear Bettye.
I always enjoyed
playing the viola with
you. You were quite a
good player. But if you
you will be even better
because you won't have
to worry that I will make
our mother and "Sis" look
at you. You did a wonderful
job playing the piano
for choir. Good luck
Helen Toliver
(if viola played)

The End
